**BE(Hons)/BSc conjoint degree planner**

A total of 675 points are required for the conjoint degree. To view regulations for majors see [www.calendar.auckland.ac.nz](http://www.calendar.auckland.ac.nz)

For NEW STUDENTS to The University of Auckland, commencing BE(Hons)/BSc conjoint degree under current regulations.

### Stage I

**90 points**

- CHEMMAT 121
- ELECTENG 101
- ENNGEN 115
- ENNGEN 131
- ENNGEN 140
- ENNGEN 150

**ENNGEN 199 (0 point)**

### Stage II

**210 points**

- ENNGEN 204

#### Part II and III courses

### Stage III

### Stage IV

**105 points**

- ENNGEN 403

Specialisation as required in BE(Hons)

**Total: 405 points required for the BE (Hons) component.**

**Parts II and III** require 15 points ENNGEN 204 and 195 points from other courses listed for Parts II and II for your specialisation. Consult the Bachelor of Engineering (Hons) Schedule and the Faculty of Engineering for specific requirements.

* In order to be exempted from ENNGEN303 for the BE(Hons) component, students must take SCIGEN 201 to be counted towards the BSc component.

*Fifteen points must be a General Education course from the appropriate schedules for your degree.

**See the Engineering Student Centre for advice on the BE component.**

### Requirements for BSc conjoint component only:

**Total: 255 points (17 Science courses at 15 points each).**

1. BSc must have at least 60 points above Stage II in the major and an additional 15 points from Stage III Science courses.
2. At least 150 points above Stage I, including at least 75 points above Stage II.
3. Courses from other Faculties (e.g. PHIL 101) will not be counted as Science courses in the conjoint.
4. If completing a double major the first major must include 60 points at Stage III and the second major must include 45 points at Stage III as outlined in the BSc Schedule. Students must meet requirements for each major separately and cannot double count courses.
# BE(Hons)/BSc conjoint degree structure and enrolment plan

## BSc Component Degree Structure

1. BSc requires 255 points in at least two Science subjects defined as majoring subjects in the Science regulations.

2. The BSc must have at least 60 points above Stage II in the majoring subject, and an additional 15 points from a Stage III Science course.

3. At least 150 points must be above Stage 1, including at least 75 points above Stage II.

4. If completing a double major, the first major must include 60 points at Stage III; the second major must include 45 points at Stage III as outlined in the BSc major schedule. Students must meet the requirements for each major separately. You cannot double count courses.

5. BE(Hons)/BSc conjoint degree requires 15 points General Education.

6. You must complete your General Education course from the Open Schedule or the Faculty Schedule available to either of your component degrees. See [www.auckland.ac.nz/generaleducation](http://www.auckland.ac.nz/generaleducation) for more information.

7. You are not advised to take the General Education course in your first year of study.

## Enrolment Pattern

1. BE(Hons)/BSc conjoint degree generally takes a minimum of five years to complete.

2. You are recommended to enroll in not more than 135 points in the first year of BE(Hons)/BSc (with no more than 60 points in the first semester of enrolment).

3. Of the 60 points taken in the first semester, 30 should be for the BSc component and 30 should be for the BE component. Of the 75 points taken in the second semester points should again be split reasonably equally between the two components. For the BE component, you should choose courses that are within the Schedule for your approved major.

4. To complete in a minimum of five years, BE(Hons)/BSc students would usually enroll in 135 points. There is no requirement, however, to complete within this time frame, and students may enroll in a more manageable study load and extend the overall time frame.

5. [The University of Auckland Calendar](http://www.auckland.ac.nz) defines full-time study as enrolment in no less than 100 points in an academic year, or no less than 50 points in one semester, or no fewer than 25 points in Summer School.

6. [The University of Auckland Calendar](http://www.auckland.ac.nz) states that the maximum number of points a student may enroll in over a single academic year is 170 points (students can enroll in each of Semester 1 and 2 and up to 30 points in Summer School, provided the overall limit is not exceeded.
