#### Enrolment Pattern

1. The LLB/BSc conjoint degree takes a minimum of four years to complete.

2. You are recommended to enrol in not more than 135 points in the first year of LLB/BSc (with no more than 60 points in the first semester of enrolment).

3. Of the 60 points taken in the first semester, 45 should be for the BSc component and 15 should be for the LLB component (LAW 121G). Second semester enrolment should follow the same pattern, with 45 points for the BSc component and 15 points for the LLB component (LAW 131).

4. To complete in a minimum of four years, after Part 1, LLB/BSc students would usually enrol in 135 points each year. There is no requirement, however, to complete within the minimum time of four years, and students may enrol in a more manageable study load and extend the overall timeframe.

5. The University of Auckland Calendar defines fulltime study as enrolment in no less than 100 points in an academic year or no less than 50 points in one semester or no fewer than 25 points in Summer School.

6. The University of Auckland Calendar states that the maximum number of points a student may enrol in over a single academic year is 170 points (students can enrol in up to 80 points in each of Semester 1 and 2 and up to 30 points in Summer School provided the overall limit is not exceeded).
